

REMARKS

Claims 1-18 are pending in this application. The Examiner has restricted the claims to three groups: Group I - claim(s) 1, 2 and 4-15 in part, drawn to a process for the identification of a compound that modulates the insulin receptor by producing such a compound; Group II - claim(s) 3 and 4-15 in part, drawn to a process for the identification of a compound that modulates the insulin receptor by modeling potential compounds against a model of the receptor; and Group III - claims 16-18, drawn to a computer readable media comprising data.

In response to the restriction requirement, applicant elects to prosecute claims 3 and 14-15 without traverse. Claims 1, 2, 4-13 and 16-18 will be canceled upon indication of allowable subject matter.

No fees or extensions of time are believed to be due in connection with this election; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Respectfully submitted,
